

1 AN ORDINANCE providing for a nondebatable emergency
2 appropriation to the River Improvement Fund, and declaring
3 an emergency therefore.

4 BE IT ORDAINED BY THE KING COUNTY COUNCIL:

5 Section 1. The additional sum set forth in Section 2
6 herein is hereby appropriated from funds from any source
7 available to the County in an emergency.

8 Section 2. The emergency appropriation in the sum of
9 \$35,000 shall be credited to the River Improvement Fund and
10 distributed for salaries, wages, equipment rental, and other
11 expenses of the Hydraulics Division of the Department of
12 Public Works for the balance of the fiscal year ending
13 December 31, 1970.

14 Section 3. This year flood problems have exceeded
15 original estimates, and all moneys appropriated for normal
16 maintenance work have been expended. Last weekend a 3½-inch
17 rainfall occurred, which required manning our flood warning
18 system and creating additional flood problems that must be
19 corrected immediately. It is probable that additional
20 emergency work will be necessary before the end of the fiscal
21 year.

22 Section 4. The County Council finds as a fact and
23 declares that a nondebatable emergency exists and this
24 ordinance is necessary for the immediate preservation of
25 public peace, health and safety, and for the support of the
26 County government and its existing institutions.

27 INTRODUCED AND READ for the first time this 11th day
28 of January, 1971.

29 PASSED at a regular meeting of the King County Council
30 this 11th day of January, 1971.
